Organisational Environment

The Indigenous Land and Sea Corporation (ILSC) is a corporate Commonwealth entity established under the ATSI Act and subject to the PGPA Act. The ILSC assists Aboriginal and Torres Strait Islander people to realise economic, social, cultural and environmental benefits that the ownership and management of land, water and water related rights can bring. The ILSC provides this assistance through the acquisition and management of rights and interests in land, salt water and freshwater country.

Directorate Environment

The Program Delivery Directorate oversees the management and implementation of the ILSC core legislative acquisition and management functions that assist Indigenous people to acquire and manage country (land and water) across Australia. It does this to achieve economic, social, cultural or environmental benefits for Aboriginal and Torres Strait Islander people. It does this in accordance with the ILSC's National Indigenous Land and Sea Strategy. To do this it has three operational regions being Central Division (based in Adelaide and responsible for NT, SA, Vic and Tas) Eastern Division (Brisbane responsible for QLD and NSW) and Western Division (based in Perth and responsible for WA).

Purpose of the Position

Under the direction of the Operations Manager, in line with legislative and program objectives and criteria, this role will assist as part of a project team to identify, develop and implement projects that deliver economic, environmental, social or cultural benefits to Indigenous Australians.

Specifically, the Project Officer will, under general supervision, assist in:

- Managing land and water assets with the intention of divesting the assets to Indigenous organisations.
- Developing projects that support the aspirations of Indigenous people and maximise the productivity of their assets.
- Providing reports, liaison with partners, and ensuring the performance of contract obligations relating to scheduled works, and lease agreement obligations.
